Welcome to a truly exceptional five-bedroom detached residence, beautifully situated in the sought-after hamlet of Lea Town, just outside Preston. Designed by the highly regarded Firth Architects and completed in 2013, this remarkable home offers a rare fusion of striking architectural design, state-of-the-art eco-technology, and contemporary luxury throughout. It's not simply a house – it's a lifestyle statement.

Built to exacting standards, the property boasts outstanding fabric efficiency and is constructed around a timber frame that achieved Passive House accreditation. The home is designed to offer year-round comfort with minimal environmental impact, making it ideal for the discerning buyer who values sustainability as much as style. Triple-glazed Weru composite windows, filled with argon gas and finished in anthracite grey, ensure exceptional insulation while complementing the bold exterior. The front door features biometric entry, adding a layer of modern convenience and security. Matching anthracite aluminum fascias, soffits, and gutters create a seamless aesthetic that continues through to the detached double garage.

Internally, the accommodation is as versatile as it is impressive, offering five generous bedrooms and multiple living areas, designed to suit both modern family life and entertaining on a grand scale. The home also benefits from a centralised media distribution system wired with Cat 7 cables to all rooms – including the garage annex – making it ideal for high-performance home working, streaming or gaming environments.

Designed for energy efficiency and reduced running costs, the house features a 4kW solar photovoltaic system with an active Feed-in Tariff, currently generating approximately £1,000 per annum – a valuable income stream that will transfer to the new owner.

A 7.2kW Andersen EV charger is already installed for electric vehicle users, and a 5,900-litre underground rainwater harvesting system supplies water for toilet flushing and outdoor use such as car washing or garden irrigation. Inside, a high-specification SieMatic kitchen is fitted with a premium mix of Miele and Neff appliances, including a Zip tap for instant boiling and filtered water. The three stylish bathrooms are fitted with Villeroy & Boch sanitaryware and benefit from programmable underfloor heating, adding a touch of everyday indulgence.

Further features include an internal air recirculation system, electric remote-controlled entrance gates, and Hormann automatic sectional garage doors, all designed to maximise comfort, convenience and security. The detached garage offers significant potential for a variety of uses, including as a home office, gym, or studio, subject to any necessary consents.

Set in peaceful Lea Town, the property enjoys a semi-rural feel while remaining well-connected. With easy access to Preston, Garstang, and the M6 motorway, and within close reach of highly regarded local schools and countryside walks, this location offers the perfect balance of tranquility and convenience.

This is a rare opportunity to acquire a thoughtfully designed, high-performance modern home that's as practical as it is beautiful. Viewings are highly recommended to fully appreciate the exceptional lifestyle on offer.

Don't miss out, contact us today to arrange your appointment.

Viewings: Viewings are strictly by appointment with the sole selling agents. For the attention of Mark Bolan MNAEA, Where possible, we ask that all potential buyers look at virtual viewings in the first instance and get a bearing as to the location and area via Google maps where the area is less familiar. Some of our vendors request only physical viewings to parties in a position to proceed.

What3words Location : ///sugars.device.spin

Money Laundering Regulations Compliance: please bear in mind, that Armitstead Barnett will require from any purchaser looking to offer on a property, details of any chain, confirmation of the purchaser's ability to fund the purchase, solicitors' contact details and 2 forms of identification. We will also undertake an electronic identity check which will leave a soft ID print, but will not affect credit rating.

Mortgage Referrals : We refer some sellers and buyers to Key Mortgage Advice and other mortgage brokers. It is your decision whether you choose to deal with any person that we may refer you to including Key Mortgage Advice. Should you decide to use Key Mortgage Advice you should know that we would receive a referral fee, typically between £100 and £700 per successful referral , which leads to mortgage adviser earning commission from them, for recommending you to them.

Method of Sale: The property is for sale by Private Treaty. If there are high levels of interest we may seek best and final offers
