- Luxury bathrooms with high-end finishes and lighting
- Air-source heat pump, solar provision and EV charger
- Triple-glazing and upgraded interior specification throughout
- Landscaped gardens, porcelain patios and electric garage doors
- Minutes from Knott End beach and local amenities

Plot 1

Plot 3

Springfield Meadows presents an exceptional opportunity to acquire one of four individually designed detached homes in an exclusive development located within the sought-after village of Preesall. Currently entering the final stages of construction, these striking properties are being finished to a luxurious standard, showcasing contemporary architecture, carefully planned layouts and elevated internal specifications. Positioned just a short drive from the unspoilt coastline at Knott End, the homes combine aspirational living with energy-efficient infrastructure, delivering a refined lifestyle in a peaceful coastal setting.

Energy efficiency sits at the forefront of the design, with air-source heat pumps, underfloor heating to ground floors, integrated solar provision and EV charging points provided as standard. The garages are insulated, lined and supplied with electric doors, while exterior lighting, block-edged driveways and generous side access points reinforce the quality approach taken in construction. The development sits on a private residents-only access road, offering exclusivity, reduced traffic flow and a secure atmosphere. A wildflower meadow positioned to the western boundary has been incorporated as part of the scheme's ecological planning, enhancing both outlook and biodiversity.

Plot 1

Each home has been thoughtfully designed to support modern living, with generous open-plan layouts forming the heart of the ground floor. Premium kitchens incorporate quartz work surfaces, feature islands, and integrated Bosch appliances, complemented by full-width sliding doors which open directly onto landscaped gardens and porcelain entertainment terraces. Practicality has also been carefully considered, with the inclusion of a utility room, separate reception space for quiet relaxation or home working, and high-quality internal finishes throughout. Triple-glazed feature windows to the principal elevations, real oak herringbone flooring, and upgraded switchgear contribute to the premium feel of each home.

The first-floor layouts have been designed to maximise light and space. Vaulted ceilings and dramatic glazed sections enhance the front bedrooms, while multiple bedroom suites benefit from high-end bathrooms fitted with floor-to-ceiling tiling, floating vanities, backlit mirrors and designer radiators. The principal bedrooms across the development incorporate either dressing rooms or ensembles, creating a luxurious and private environment. Additional double bedrooms and a family bathroom complete the upper accommodation, making the homes well suited to both families and multi-generational buyers.

Preesall remains one of Wyre's most desirable coastal village locations and Springfield Meadows allows buyers to enjoy proximity to sandy beaches, scenic rural walks, and strong local schooling including St Aidan's C of E High School. Village amenities, local shops and transport connections are all within easy reach, yet the setting retains tranquillity and a semi-rural feel. For purchasers seeking a premium, architect-led home within a rare, private coastal development, Springfield Meadows offers a standard of build and specification not commonly found locally and early enquiries are strongly advised.

Viewings: Viewings are strictly by appointment with the sole selling agents. For the attention of Mark Bolan. Where possible, we ask that all potential buyers look at virtual viewings in the first instance and get a bearing as to the location and area via Google maps where the area is less familiar. Some of our vendors request only physical viewings to parties in a position to proceed.

What3words Location : [///fortified.corrupted.swatting](https://www.what3words.com/fortified.corrupted.swatting)

Money Laundering Regulations Compliance: please bear in mind, that Armitstead Bamett will require from any purchaser looking to offer on a property, details of any chain, confirmation of the purchaser's ability to fund the purchase, solicitors' contact details and 2 forms of identification. We will also undertake an electronic identity check which will leave a soft ID print, but will not affect credit rating.

Mortgage Referrals : We refer some sellers and buyers to Key Mortgage Advice and other mortgage brokers. It is your decision whether you choose to deal with any person that we may refer you to including Key Mortgage Advice. Should you decide to use Key Mortgage Advice you should know that we would receive a referral fee, typically between £100 and £700 per successful referral, which leads to mortgage adviser earning commission from them, for recommending you to them.

Method of Sale: The property is for sale by Private Treaty. If there are high levels of interest we may seek best and final offers

New build clause : The plans, images and specifications shown in this brochure are as planned. Alterations may be made during construction. The buyer should satisfy themselves with the property ahead of exchange.. Please refer to the ICW Code for New Homes for further property information.
