Beyond is the lounge, which again has vaulted ceilings and a picture window overlooking the gardens.

The utility room includes storage, points for a washer drier, sink and drainer along with the cylinder cupboard. A ground floor shower room is found close by. The utility room combined with the lounge, give the property ground floor annex potential subject to gaining any necessary consents.

The front lounge has windows to the front and an open fire with a cast style surround. Adjacent is the snug which has views to the rear and includes a multifuel stove set within the chimney.
